

# MARBLE CLEANER-RESTORER

## FORMULA MARMO

ALL POLISHED NATURAL STONE

- **FOR POLISHED SURFACES.**
- **DUAL ACTION: RESTORES SHINE AND DEEP CLEANS.**

### WHAT IT'S FOR

- Cleans and protects small polished surfaces in marble, limestone, travertine and granite.
- Removes hard water stains.
- Restores shine to worn polished surfaces. Perfect for shelves, windowsills and tables.
- Ideal for bathroom vanities and kitchen countertops.
- Enhances the natural appearance of polished natural stone.

### ADVANTAGES

- Easy-to-use: just rub on the surface.
- No dilution necessary.
- Highly effective with immediate results.
- Leaves a smooth surface, pleasant to the touch.

### HOW TO USE IT

**Ready to use**, no dilution required.

Shake the can before use. Pour **FORMULA MARMO** on a clean cloth, wipe and rub the surface until completely dry.

**Packaging:**

8.5 OZ (250 ml) 12 cans per box
