

RAPIDSAN ECO DISINFECTANT

ALL SURFACES

WHAT IT'S FOR

- **3-in-1 action:** cleans, disinfects and eliminates odours.
- Excellent for the daily disinfection of surfaces and frequently touched objects.
- Eliminates germs and bacteria.
- Ideal for disinfecting kitchen and bathroom surfaces, office furniture and laminates.
- Perfect for countertops in marble, granite, agglomerates in marble and quartz.

ADVANTAGES

- Eco-friendly sanitising formula effective against germs and bacteria.
- Contains tea tree oil: essential oil with germ fighting properties.
- Leaves no chemical residue which could damage surfaces.
- Odour control formula: refreshes and deodorises.
- Pet safe: suitable for spaces with domestic animals.
- No rinsing needed.
- Dries fast.
- Does not harm even the most delicate surfaces.
- Degreasing action.
- HACCP-compliant product

HOW TO USE IT

Ready to use, no dilution needed.

Spray **RAPIDSAN** on the surface, keeping the bottle upright at about 20-30 cm from the application area. Clean with a soft, dry cloth.
